Date	Time	Title	Credits	Applicable ILNA Categories
Thursday, October 23, 2019: PR	E CONFERENCE WORK:	SHOPS		
			2	Diagnosis and Staging Treatment
	8:00 AM - 10:00 AM	Hands-on skills	2	freatment
	8.00 ANI - 10.00 ANI			Diagnosis and Staging
			2	Treatment
	10:30 AM - 12:30 PM	Hands-on skills - Repeat of 8:00 am session		
		•		Treatment
		Myths and Facts About Nutrition and Exercise in the Patient with		Survival
		Cancer	_	Symptom Management
				Diagnosis and Staging
				Treatment
				Symptom Management
	1:00 PM - 3:45 PM	Abdominal Imaging: What Oncology And Nood to Know	2.75	Oncologic Emergencies
Concurrent		Abdominal Imaging: What Oncology Aps Need to Know	-	oymptom management
				Palliative Care
				End of Life Care
				Coordination of Care
		Pain Bootcamp: Clinical Pearls, Calculations, and Conversations	-	Psychosocial Professional Practice
		Support for the New Oncology AP: Onboarding Done Right		Roles of the APN
		Support for the New Oncology AL. Onboarding Done hight		Diagnosis and Staging
	2:00 PM - 4:00 PM		2	Treatment
		Hands-on Skills - Repeat of 8:00 am and 10:30 am sessions		
				Treatment
				Diagnosis and Staging
			2	Symptom Management
		Integrating Best Practices to Improve Outcomes in		Survivorship
ertified Satellite Symposium	2 - 4 PM	Relapsed/Refractory Multiple Myeloma		Coordination of Care
				Palliative Care
				Symptom Management
				Coordination of Care Psychosocial
				Professional Practice
		The Palliative Care Immersion Workshop		
Concurrent	4:15 PM - 7:00 PM	·	2.75	Treatment
		Best Practices in Radiation Oncology: Science, Side Effects, and		Symptom Management
		Survivorship	_	Survivorship
		Measurement, Metrics, and Me: Understanding and Highlighting		Professional Practice
		Your Worth	-	Roles of the APN
				Symptom Management
		Summers Management on the Front Lines, Critical Information		Psychosocial
		Symptom Management on the Front Lines: Critical Information		Coordination of Care Roles of the APN
		for Practicing APs		Diagnosis and Staging
	4:30 - 6:30 PM		2	Treatment
		Hands-on Skills - Repeat of 8:00 am,10:30 am, and 2pm session	-	
riday, October 25, 2019: MAIN	CONFERENCE			
		Panel Discussion: When Things Don't Go As Planned: The Role of	1	Professional Practice
	8:45 AM - 9:45 AM	Candor in Patient Safety Programs	1	Role of the APN
				Treatment
				Coordination of Care
				Symptom Management
				Symptom Management Palliative Care
				Symptom Management Palliative Care End of Life Care
		Knowing When to Operate and When NOT to Operato: The		Symptom Management Palliative Care End of Life Care Psychosocial
		Knowing When to Operate and When NOT to Operate: The Humane Side of Surgical Oncology		Symptom Management Palliative Care End of Life Care
		Humane Side of Surgical Oncology	-	Symptom Management Palliative Care End of Life Care Psychosocial
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment Coordination of Care
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment Coordination of Care
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment Coordination of Care Diagnosis and Staging
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75 -	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment Coordination of Care Diagnosis and Staging Treatment Symptom Management Early post-transplant management
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology Precision Oncology Comes of Age: Tumor-Agnostic Approaches	- 0.75	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment Coordination of Care Diagnosis and Staging Treatment Symptom Management Early post-transplant management Late post-transplant management
Concurrent	10:50 AM - 11:35 AM	Humane Side of Surgical Oncology	- 0.75 -	Symptom Management Palliative Care End of Life Care Psychosocial Professional Practice Treatment Coordination of Care Diagnosis and Staging Treatment

				Treatment Diagnosis and Staging
	11:45 AM - 12:45 PM	New Drug Updates: Hematologic Malignancies	1	Symptom Management Coordination of Care
		The Mary Pazdur Award Presentation (followed by) Keynote	1	Professional Practice
	2:30 PM - 3:45 PM	Address	-	Role of the APN
				Diagnosis and Staging Treatment
		Addressing the Challenges of Aggressive Lymphoma		Symptom Management
				symptom management
Concurrent	4:35 PM - 5:35 PM	HER+ HER2- Breast Cancer: Recent Advances and Best Practices	1	Diagnosis and Staging
				Treatment
				Symptom Management Treatment
				Symptom Management
		Wound Care Advances in the Oncology Setting		Coordination of Care
Certified Dinner Symposium		Expert Insights on Triple-Negative Breast Cancer: Preparing for		Treatment
		the Next Wave of Treatments Creating Clarity in Metastatic Melanoma: Optimizing Treatment and Improving Outcomes		Diagnosis and Staging
			2	Symptom Management
	5:45 - 7:45 PM			Coordination of Care
				Treatment
				Diagnosis and Staging
				Symptom Management Coordination of Care
		First-Line Therapy for Metastatic Non-Small Cell Lung Cancer:		Treatment
		State-of-the-Art Targeted Therapy and Immunotherapy		Diagnosis and Staging
				Symptom Management
				Coordination of Care
		Total available credits for Friday:		
				-
turday,October 26, 2019: MA	IN CONFERENCE			Diagnosis and Staging
	8:00 AM - 9:00 AM	Biomarker Bingo	1	Treatment
				Diagnosis and Staging
		Current and Future Directions in PARP Inhibition	1	Treatment
	9:15 AM - 10:15 AM			Coordination of Care
		Principles of Surgical Reconstruction in the Oncology Setting		Treatment
				Symptom Management
Communit				Survivorship
Concurrent				Coordination of Care
				Psychosocial Diagnosis and Staging
				Treatment
		Recent Advances in the Treatment of Newly Diagnosed Multiple Myeloma		Coordination of Care
				Symptom Management
				Survivorship
		Nyeloma		
				Treatment
				Professional Practice
	11:20 AM - 12:05 PM	Challenges of Integrating Biosimilars Into Clinical Practice	0.75	Professional Practice Role of the APN
	11:20 AM - 12:05 PM		0.75	Professional Practice Role of the APN Treatment
	11:20 AM - 12:05 PM	Challenges of Integrating Biosimilars Into Clinical Practice	0.75	Professional Practice Role of the APN
